# Fascial Dry Needling

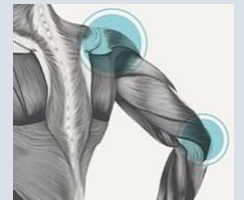

## Workshop Level 1:

**Application of Dry Needling and  
Trigger Point Release** for pain in  
cervical and lumbar spine, and extremities

*Certification in Dry Needling*

This elite series of Fascial Dry Needling workshops are designed to teach treatments for patients with enigmatic and myofascial pain disorders. Following successful completion of a written examination, each participant will also receive an official certificate allowable under the rules and regulations of individual state licensure boards. CEUs are offered by the approval of the OPTA and may be transferable. Please consult the legal authorities of your specific practice and state.

### Matrix Dry Needle Physical Therapy

**Provided by:**

**Kyle A. Danemayer, PT**

**Location:**

**Family Tree Chiropractic Center  
8241 Cornell Rd., Suite #220  
Cincinnati, Ohio 45249**

**Dates:**

### The Instructor:

Kyle Danemayer is a veteran physical therapist, having practiced and attuned his craft for 17 years in the Tri-State. He became the first therapist to Dry Needle in Cincinnati more than a decade ago. Since that time, he has evolved the procedure to include the myofascial network system, called Fascial Dry Needling. With a strong orthopedic, Craniosacral, TCM and Energy medicine background, Mr. Danemayer needles in a novel, gentle, and intuitive manner that yields unparalleled results.

### The Facility:

In 2013, Mr. Danemayer started working within Family Tree Chiropractic and Wellness, a holistic care center owned by Dr. Gregory Pitman. The Family subscribes to a multidisciplinary model with a common mission to restore the patient's own, natural God-given ability to heal.

### What you will learn:

- Hands on physical examination/myofascial release techniques
- The Fascial Dry Needling Difference
- Electro-needle Therapy
- Dry needling techniques by demonstration
- Integrative, holistic, evidence-based pain care
- “Listen” to the body through Fascia
- Following the Fascial pathways and the magic connecting points
- Billing and re-imburement for services
- How to duplicate the holistic model at Family Tree Chiropractic and Wellness

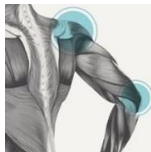

### Hotel Accommodations:

Hilton Garden Inn in Blue Ash 5300 Cornell Road Cincinnati, OH 45242 513-469-6900	Hyatt Place 11435 Reed Hartman Hwy Cincinnati, OH 45241 513-489-3666

### Target Audience:

MDs, DOs, NDs, DDSs, DCs, PTs, OTs, MSTs, RPhs, PAs, NPs, ATCs, and Acupuncturists

**Learning Objectives:** After participating in this activity, participants should be able to:

- Diagnose body-wide myofascial pain
- Treat body-wide myofascial pain and dysfunction
- Describe and treat perpetuating factors for body-wide myofascial pain

This activity has been implemented in accordance with the rules and regulations of the American Physical Therapy Association, Ohio component, and is approved by the Ohio Physical Therapy Association for 14.5 CE. Participants from alternate states or disciplines should contact their state board or the OPTA (614) 855-4109 to determine reciprocity.

**Registration deadline is 1 week before.**  
**Please call Kyle Danemayer at 513-254-8830 for registration information.**
